One world, many stories

Name: Elizabeth Barbara

Class: 4G

Activity/Event: Violet Mackerel's Brilliant Plot

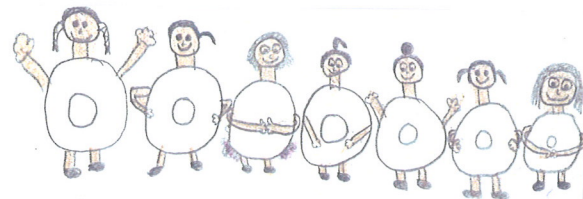

Use one of these sentence starters and draw a picture if you like

I liked / It made me laugh / I had fun when / The best part was
The best part of book week was the assembly when the
year 5s did a play and they were singing a song about
donuts.
Also I think the best part was when Tonya Batt told stories
to us and made noises like doors and animals.

Book week

By Emily

Book week this year was amazing!
For Year 5 we looked at the book family forest. We learned
about blended families & how some people have a family tree
& others have a family forest. It's a fabulous book
written by Kim Kane & Lucia Masciullo. We made our own fami
tree. Most of our trees show our siblings, parents, grandparents
& Great grand parents.

Head dress making

On Wednesday the Year 2s came to Mrs Fenlon's class and made goggles with an underwater scene.

Class: 2 Blue

"Tonya Batt was absolutely superb at doing expressions and
she said her best voices were doors and chickens. She told
the story 'The princess and the white bear king' which is three
classic stories into one book. She also told the story 'The fairies
gift.' During Tonya's stories her keyboard accompanist Craig played
the keyboard fantastically! He played scary tunes, cheerful tunes and
tunes that were just amazing. All years 3-5 loved her. She had the
most magnificent costume and instead of calling books 'fairy tale'
Tonya calls them wonder tales because fairies aren't in them!
