State and Commonwealth Governments have schemes which provide financial assistance to parents and students.

Application forms for School Card in 2013 will be available at the Business Manager’s office from early January 2013. Alternatively, School Card application forms may be downloaded from the Department of Education and Child Development’s website at www.decd.sa.gov.au/goldbook/. Please note that to be eligible your total Gross Family Income, including Centrelink benefits, for the financial year ending 30th June 2012 must be below the income levels as indicated on the forms or your daughter must be in receipt of the maximum Youth Allowance.

All applications are checked and verified by Centrelink. The School Card Section of the Department of Education and Child Development notifies the College of the eligibility status for families following verification.

Assistance may also be available in cases of hardship, change of circumstances and the self-employed.

Boarding families are encouraged to enquire about eligibility for the Isolated Children’s Scheme.

WITHDRAWAL OF STUDENT

The Parent/Guardian must provide written notice to the College at least one term in advance of a student being withdrawn from the College to avoid additional fees being charged.

School Fees equivalent to one School term will be charged in lieu of the appropriate notice.

NON PAYMENT OF SCHOOL FEES

Should fees remain unpaid at the end of a school term and there has been no communication from the family regarding the non payment of fees, then the account will be placed into the hands of the College Debt Collection Agency and all associated collection and legal costs will be incurred by the family.

At this point in time, the Principal will review the continued enrolment of the student(s). Families should be aware that the Principal has a legal and moral responsibility not to allow families to accumulate unsustainable levels of debt.

In the event of school fees being in arrears, a student will be ineligible to attend the annual ski trip and trips overseas, irrespective of where funds for such trips may be sourced.

INSURANCE

The College has a current Catholic Church Insurances School Care policy that insures your daughter for accidents 24 hours per day. Details may be obtained from the College Business Manager.

The College does not accept liability for damage or loss of any personal possessions of students. Insurance cover for a student's personal possessions is the responsibility of the parent or guardian.
