

## Freedom · Justice · Sincerity · Verity · Felicity

Congratulations to the 2025 Year 12 cohort on your superb SACE results. This year marks a clear step forward, with 14 SACE Merit Awards reflecting both individual excellence and the collective progress of the cohort. We also proudly acknowledge a student awarded the Governor's Commendation for Excellence, an exceptional achievement that sits among the highest recognitions in the state. All of these results were earned through sustained effort, intellectual curiosity, and a willingness to stretch beyond what felt comfortable.

Class of 2025, you approached your final year with balance and purpose, achieving strongly in your studies while contributing generously to the life of the College through sport, the performing arts, and social justice initiatives. This breadth of commitment speaks to your sense of responsibility, your care for one another, and your pride in Loreto.

Your teachers walked beside you with high expectations and steadfast belief, while your families offered constant encouragement. This success is shared, and their partnership is gratefully acknowledged.

Take pride in what you have achieved, particularly in the growth demonstrated this year. Carry that confidence and momentum forward. You are well prepared for what comes next.
