

Dear Rowing Supporter,

Loreto College Marryatville Rowing continues to provide remarkable opportunities for our students, fostering resilience, teamwork and confidence both on and off the water. In 2026, our program reached an exciting milestone, with our Year 10 8+ qualifying for the National Championships for the first time in many years - a significant achievement for our rowers and coaches - along with multiple crews achieving personal best times.

To support the continued growth and success of Loreto Marryatville Rowing, the College has registered the Loreto Marryatville Rowing Project with the Australian Sports Foundation Ltd (ASF). This enables any donation of \$2 or more made to the ASF for the Loreto Marryatville Rowing project to be tax-deductible.

All funds raised through the Australian Sports Foundation for the Loreto Marryatville Rowing Project directly support the continued growth and success of our rowing program. In 2026, our fundraising efforts will focus on the purchase of a new Filippi First 8+. A high-performance racing shell, the Filippi First 8+ will provide our senior crews with the opportunity to train and compete at the highest level, enhance performance and safety, and support our athletes as they represent Loreto Marryatville at major regattas, including national competition.

If you would like to support the College's fundraising endeavours with this project, please consider making a tax-deductible donation by completing and signing the ASF donation form (included) or by donating online, either at <https://asf.org.au/campaigns/loreto-college-marryatville/loreto-marryatville-rowing-project> or by scanning the QR code below:

All donors will be provided with a tax-deductible receipt issued by the ASF. Please note: Donations made offline will be passed onto the ASF for processing. This may result in a slight delay in receiving your tax-deductible receipt.

Please visit [www.asf.org.au](http://www.asf.org.au) for more information on the Australian Sports Foundation.

## LORETO ROWING

At Loreto College Marryatville, we strive to create a culture that is inclusive, supportive and challenges our girls to become strong and resilient young women. The 2025-2026 season has now concluded, and what a season it was!

This year we achieved: 5 medals at Head of the River-2026; two 5<sup>th</sup> places at the National Championships; three athletes selected to be part of the South Australian rowing team at nationals and the pathway regatta; and one athlete selected to participate at the Rowing International Challenge in Michigan. We are proud of our girls' commitment to the necessary discipline and determination required for a successful program.

## AUSTRALIAN SPORTS FOUNDATION

For more than 30 years, the ASF has helped thousands of clubs and athletes raise hundreds of millions of dollars. It has funded all sports at all levels and is the only organisation in Australia to have Deductible Gift Recipient status for sport.

This means any donation of \$2 or more is tax-deductible. This tax-deductible benefit, along with its tools, resources and personal support, helps sports clubs, schools and organisations achieve excellent fundraising goals.
